Zadanie 2.

Tekst 1.

Girl: Tom, how about a game of table tennis? We could go to the sports centre.

Boy: But the weather's too good to stay inside, don't you think?

Girl: You may be right. So let's go and play volleyball on the beach then.

Boy: Oh, I'm not sure. There'll be a lot of people there. Why don't we try the new climbing wall in the park? I've never done that and I'd like to try.

Girl: All right, I'll show you how to do it. And we'll play table tennis tomorrow, OK?

Tekst 2.

Boy: Oh! Hi, Daisy. Great you're here. I need your help. I want to do all the housework before Mum gets home. I've already taken the dishes out of the dishwasher and I've even boiled the rice for dinner.

Girl: So what's the problem?

Boy: Well, just look at those dirty clothes.

Girl: Why don't you put them in the washing machine?

Boy: Because I don't know which program I should use.

Girl: Let me have a look. It's not that difficult. Use program number 3, the one for cottons.

Boy: Oh, thanks, Daisy. I'll do that.

Tekst 3.

My sister Monica is 17. She wears glasses. She looks like my mum so she's very pretty. She is tall and slim. She has got long blond hair.

Boy: Mum, thanks. They look great on my hands.

Woman: I hope they will help you win the match on Saturday.

Boy: They fit perfectly on my fingers. I'm sure I will be the best goalkeeper in the school.

Tekst 5.

Girl: Excuse me, I'm new here and I don't know where to start.

Man: Oh, don't worry. Maybe I'll just give you a tour of the whole gym and show you how to use the machines we have here. Then you should make a workout plan. I could give you a hand with that if you want.

Girl: That sounds great. Thanks.
